Do you want to learn Dutch or pass your integration exam or the official state exam? Sagènn can help!

Sagènn offers courses ranging from language level A0 to B2, both with and without accredited exams.

You will learn the Dutch language and discover more about living and working in the Netherlands.

We work with validated teaching and e-learning methods.

At Sagènn, you can learn at your own pace.

We work with permanent teachers in small groups consisting of participants with different nationalities.

You can start our courses at any time.

The courses are offered in two to three weekly sessions. Our classes are available during the day, in the evening, and on weekends.

Sagènn received a score of 9 for customer satisfaction, of which we couldn't be prouder!

More than 90% of participants pass the exams.

Learn Dutch

NT2 / 2026

Let’s learn Dutch together!

If you plan on living, working, or studying in the Netherlands, you'll need to learn to speak and understand the language. It's important to reflect on why you want to learn Dutch. Is it to pass the integration exam or the state exam? Or do you want to improve your job prospects? Whatever your motivations, we are happy to help!

Learn Dutch to secure a better future in the Netherlands

Sagènn offers courses ranging from language level A0 to B2, both with and without accredited exams. You will learn Dutch and discover more about living and working in the Netherlands. You will learn how to speak, write, understand, and read Dutch. Once you've mastered the language, it will be much easier to find a job in the Netherlands.

Validated teaching and e-learning methods

Sagènn works with validated teaching and e-learning methods. This means computers are used for all classes, so you can continue studying the material at home as well. We work with permanent language trainers in small groups consisting of participants with different nationalities. We always tailor our teaching approach to your learning style, your language motivations, and the results you hope to achieve.

More than 90% of participants pass the exams

Since 2007, Sagènn has successfully helped more than 35,000 participants become literate, integrate into Dutch society, pass the state language exams, and learn Dutch. More than 90% pass their exams, which is reflected in our customer satisfaction score of 8.8.

Stop by one of our teaching locations for a free language test. We will provide you with targeted advice to help you learn Dutch as quickly and as effectively as possible.
